GIVING BACK TO OUR COMMUNITY

EDUCATOR & COMMUNITY LEADER

As an Educator, Community Leader, and Valley Legislator, Raul Bocanegra wants everyone to have the opportunity to succeed: good local schools, job opportunities, safe neighborhoods, access to affordable health care, and a secure retirement.

Raul Bocanegra grew up attending local public schools in the Northeast Valley, always active in sports, school activities, and academic programs. His parents instilled in him the values of hard work and a good education.

At an early age, Raul realized that students who didn't have access to good schools were more likely to head down the wrong path. He decided that when he grew up, he wanted to fix this problem, so all kids could have an equal opportunity to succeed.
