## RAUL BOCANEGRA'S RECORD

- ✓ Expanded healthcare for over 10,000 women, children, and low-income families
- ✓ Protected access to women's healthcare services and access to women's specialty doctors
- ✓ Helped pass legislation to close the gender gap and address pay equity in the workplace
- ✓ Worked to expand programs and temporary housing for victims of domestic violence
- ✓ Delivered funding for after-school programs and day-care for working moms
- ✓ Made college more accessible and affordable by expanding financial aid for thousands of local students

“Raul Bocanegra is the only candidate for State Assembly with a consistent record and proven experience strongly advocating for women and working families.”
